**Subject:** Door Hangars are Being Delilivered

Good morning,  
I got a Vitalization check for \$1,700 from Bob yesterday for the distribution in 90045. Then I picked up the 10,500 door hangars late last night. Michael (the distribution company) and his crew picked up 10,000 at 6:00 this morning for distribution today and tomorrow. I saved 500 for local distribution with our local merchants. Is there someone who can place these in key businesses? At Bob's request, I sent a letter to the Westchester Assoc advising them about the new market (see attached)
